"Each one of us can make a difference together. We can make change for the future. By touching so many lives, we are able to change the spirit of our people."

the late Kwukwpi? Victor York - Elder (Lower Nicola Indian Band)

Call to Action

We are at a critical moment in time.

A great deal of change is taking place within the current political climate in which we exist. Bold steps are required to actualize the changes necessary for the communities we represent. For the first time since colonization, our action will fundamentally alter the foundation upon which outside governments have imposed political interests of assimilation through the systemic removal of our children. For generations, our children have been the ones on the front line of federally and provincially legislated cultural genocidal regimes. Our families and communities were fractured but never broken. To achieve healing, justice and hope for each child ever removed from their parents, families and communities, it is up to us to provide a new reality for generations to come. Through the wisdom of our Ancestors, we have been taught the ways to care for one another. We must work towards a future markedly different from the current state wherein there are more Indigenous children in care now than at the height of the residential school era. While the current system is derived of legislation and policy not of the Indigenous origin at a community level or otherwise, we undertake the process of decolonization and bring traditional knowledge, guidance and practices of the nle?kepmx and syilx forward in collaboration and guidance of our communities. It is our responsibility to create the necessary change to ensure children currently in care have the advocates they deserve and seven (7) generations from now, the need for a child welfare system will no longer exist as our families will be whole and healthy. nle?kepmx and syilx ancestors have anticipated this change and passed their wisdom and knowledge on as we respond to this call to action. This very legacy is now ours to nurture and protect as we build a new platform where today's children and families will remain together and rekindle their cultural ways of being.

FINAL SETTLEMENT AGREEMENT ON COMPENSATION

Related to First Nations Child and Family Services Program and Jordan's Principle

What is the Final Settlement Agreement on COMPENSATION?

In July 2023, the Canadian Human Rights Tribunal (CHRT) issued a decision announcing the approval of the revised Final Settlement Agreement on Compensation. The landmark agreement, totaling over **\$23 billion**, will compensate more than 300,000 First Nations children and families who experienced discrimination through the First Nations Child and Family Services Program and narrow application of Jordan's Principle.

This settlement stems from the 2016 CHRT findings that the Canadian government discriminated against First Nations children by failing to properly fund child welfare services on reserve. The Tribunal also said the Canadian government failed to properly implement Jordan's Principle. In addition to the Tribunal case, separate class-action lawsuits were filed on behalf of First Nations children affected by child welfare on reserve (from 1991-2022) and Canada's failure to implement Jordan's Principle (from 1991-2017). In December 2021, an agreement-in-principle on compensation was signed between the federal government and the class-action groups.

Who is Eligible?

There are five broad groups of people who qualify for compensation:

- 1) Children taken into care: First Nations individuals who, at any time between April 1, 1991 and March 31, 2022, were removed from their home by child welfare authorities or voluntarily placed into care, and whose placement was funded by ISC, and were identified as Ordinarily Resident on a Reserve.
- 2) Jordan's Principle: All First Nations individuals who, between December 12, 2007 and November 2, 2017, did not receive from Canada (due to a Denial or a Service Gap) an Essential Service relating to a Confirmed Need, or was delayed.
- **3) Trout Class:** First Nations individuals who between **April 1, 1991, and December 11, 2007**, did not receive from Canada an Essential Service relating to a Confirmed Need, or whose receipt of said Essential Service was delayed by Canada, on grounds, including but not limited to: lack of funding or lack of jurisdiction, or as a result of a Service Gap or jurisdictional dispute with another government or governmental department.
- **4) Kith Child Class:** First Nations individuals living on reserve or in the Yukon, who were sent off-reserve by a caregiving parent or caregiving grandparent involved with a child welfare agency to temporarily stay with a non-family member (also called "kith"), in a placement not funded by Indigenous Services Canada, between **April 1, 1991, and March 31, 2022.**
- 5) Family Class: Individuals who are the primary caregiver of:
 - a member of one of the four Class groups above
 - an eligible Deceased Child Class member

For more information please see https://www.fnchildcompensation.ca/

Individuals who were involved with the protection system in this time period, but did not ordinarily live on reserve during the time or removal/placement would have been funded through the province, and **not eligible** for this Final Settlement Agreement. However, there will be more information soon about a separate class action that seeks damages for Indigenous children and youth who were apprehended from their families by child welfare agencies, while living **off reserve**, between January 1, 1992 and December 31, 2019 and placed in the care of individuals who were not members of their Indigenous community, group, or people.

How to Apply

The goal of the Parties to the Agreement is to ensure that children and families receive the compensation they deserve, as soon as possible. They are hopeful that the application process for the survivors and victims to receive compensation will be open in 2024. **Compensation is not available yet.**

More information will be available after Federal Court approval.

How to Opt-Out

Opting out of the class action means that you wish to remove yourself from the group of potential claimants (meaning you do not want to be eligible for compensation). For example, someone may choose to opt out of the class action if they wish to file their own lawsuit at their own expense. If you choose opt-out, you will not receive any compensation from the class action settlement.

If you are considering opting out of the class action and have questions or wish to discuss this process, you can contact the Claims Administrator (Deloitte) at fnchildclaims@deloitte.ca or 1-833-852-0755. If you wish to speak to a lawyer about opting out, you can contact Class Counsel representatives: Nahwegahbow Corbiere Genoodmagejig/Barristers & Solicitors, Fasken Martineau DuMoulin LLP at 1-877-750-5554 for free legal advice.

Class members (individuals that would fall under the 5 groups previously listed) wishing to remove themselves from the class actions must complete the **Opt-Out Form by October 6, 2023**. If a potential claimant chooses to opt-out of the Revised Final Settlement Agreement, this means that they will not be able to submit a claim or receive any settlement funds associated with the Canadian Human Rights Tribunal File No.: T1340/7008.

The Story of Orange Shirt Day THE LEGACY OF THE ST. JOSEPH MISSION (SJM) RESIDENTIAL SCHOOL

Orange Shirt Day is a legacy of the St. Joseph Mission (SJM) Residential School (1891-1981) Commemoration Project and Reunion events that took place in Williams Lake, BC, Canada, in May 2013. This project was the vision of Esketemc (Alkali Lake) Chief Fred Robbins, who is a former student himself. It brought together former students and their families from the Secwepemc, Tsilhqot'in, Southern Dakelh and St'at'imc Nations along with the Cariboo Regional District, the Mayors and municipalities, School Districts and civic organizations in the Cariboo Region.

The events were designed to commemorate the residential school experience, to witness and honour the healing journey of the survivors and their families, and to commit to the ongoing process of reconciliation. Chief Justice Murray Sinclair challenged all of the participants to keep the reconciliation process alive, as a result of the realization that every former student had similar stories.

Orange Shirt Day is a legacy of this project. As spokesperson for the Reunion group leading up to the events, former student Phyllis (Jack) Webstad told her story of her first day at residential school when her shiny new orange shirt, bought by her grandmother, was taken from her as a six-year old girl.

The annual Orange Shirt Day on September 30th opens the door to global conversation on all aspects of Residential Schools. It is an opportunity to create meaningful discussion about the effects of Residential Schools and the legacy they have left behind. A discussion all Canadians can tune into and create bridges with each other for reconciliation. A day for survivors to be reaffirmed that they matter, and so do those that have been affected. Every Child Matters, even if they are an adult, from now on.

The date was chosen because it is the time of year in which children were taken from their homes to residential schools, and because it is an opportunity to set the stage for anti-racism and anti-bullying policies for the coming school year. It is an opportunity for First Nations, local governments, schools and communities to come together in the spirit of reconciliation and hope for generations of children to come.

It all started right here in the Cariboo, and as a result, School District No. 27 was chosen by the First Nations Education Steering Committee (FNESC) to pilot curriculum changes for all Grade 5 and Grade 10 students reflecting the residential school experience, which have now been implemented province-wide.

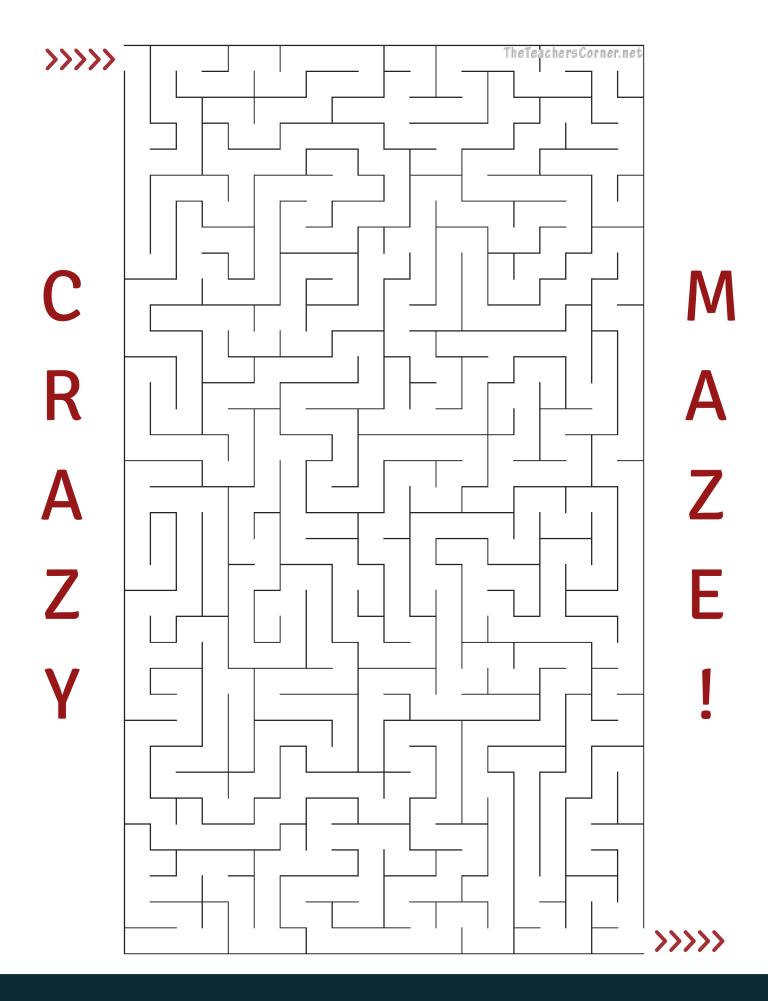

A First Step in Reconciliation BRINGING THE TRUTH OF RESIDENTIAL SCHOOLS HOME

Resolutions have been passed in support of Orange Shirt Day by local governments, school districts, and First Nations in the Cariboo and beyond. The AFN Chiefs-in-Council passed a resolution declaring Orange Shirt Day "a first step in reconciliation", and pledging to bring the message home as well as to the government of Canada and the churches responsible, several provincial governments have proclaimed Orange Shirt Day, and in March of 2019, the Government of Canada passed a bill designating September 30th National Truth and Reconciliation Day. Unfortunately, that bill died in the Senate.

On this day of September 30th, we call upon humanity to listen with open ears to the stories of survivors and their families, and to remember those that didn't make it.

Post pictures of your event or activity, share your story, or simply enjoy others sharing theirs.

CALORIES: 362

PREP TIME: 10MINUTES MINS COOK TIME: 50MINUTES MINS

TOTAL TIME: 1HOUR HR

INGREDIENTS

6 CUPS CHICKEN BROTH, W USED LOW SODIUM

5 CUPS WATER SALT TO TASTE

3-4 CHICKEN THIGHS, SKINLESS (BONE-IN OR BONELESS)

2 TBSP OLIVE OIL

1 MEDIUM ONION, FINELY CHOPPED

3 MEDIUM CARROTS, 2 CARROTS GRATED, 1 CARROT SLICED INTO THIN RINGS OR HALF CIRCLES

2 MEDIUM CELERY STALKS, FINELY CHOPPED OR THINLY SLICED IF YOU PREFER

2 CUPS PASTA SUCH AS ROTINI, EGG NOODLES, OR YOUR FAVORITE KIND

1 CUP CORN, FROM 15 OZ CAN, OR PREFERABLY 1 COOKED COB

4 TBSP UNSALTED BUTTER

1/3 CUP ALL-PURPOSE FLOUR

1/2 CUP HEAVY CREAM

3 TBSP FRESH OR FROZEN DILL

1 TSP MRS. DASH, OR YOUR FAVORITE SALT-FREE SEASONING

INSTRUCTIONS

IN A LARGE SOUP POT, COMBINE 6 CUPS BROTH, 5 CUPS WATER AND 1/2 TBSP SALT. BRING TO A BOIL THEN ADD CHICKEN THIGHS (NO NEED TO TRIM FAT), AND BOIL UNCOVERED 20 MIN. SKIM OFF IMPURITIES THAT RISE TO THE TOP. WHILE CHICKEN IS COOKING, PROCEED WITH STEP 2.

PLACE A LARGE PAN OVER MEDIUM HEAT AND ADD 2 TBSP OLIVE OIL. ADD CHOPPED ONION AND SAUTÉ UNTIL SOFTENED (5 MIN), THEN INCREASE HEAT TO MED/HIGH AND ADD GRATED CARROTS, CHOPPED CELERY AND SAUTÉ 5-7 MIN, STIRRING OFTEN UNTIL SOFT AND GOLDEN THEN TRANSFER TO SOUP POT.

REMOVE CHICKEN THIGHS FROM THE POT AND LET REST UNTIL COOL ENOUGH TO HANDLE, THEN USE FORKS OR HANDS TO SHRED CHICKEN, DISCARDING ANY BONES AND FAT (WHICH SHOULD COME OFF EASILY). RETURN SHREDDED CHICKEN TO THE POT (BY THE TIME IT'S COOLED AND SHREDDED, THIS IS USUALLY AFTER STEP 4).

ADD 2 CUPS PASTA, SLICED CARROTS AND CORN TO THE SOUP POT AND CONTINUE COOKING 15 MIN AT A LOW BOIL UNTIL PASTA IS AT DESIRED SOFTNESS. YOU CAN SKIM OFF ANY EXCESS OIL FROM THE TOP AT THIS POINT IF YOU WANT THE SOUP TO BE A LITTLE LIGHTER.

IN A MEDIUM SAUCE PAN OVER MEDIUM HEAT, MELT 4 TBSP BUTTER, WHISK IN 1/3 CUP FLOUR AND COOK WHISKING CONSTANTLY FOR 1 TO 2 MIN OR UNTIL JUST BARELY TURNING GOLDEN. LADLE 1 CUP OF HOT BROTH FROM THE SOUP POT INTO FLOUR MIXTURE, WHISKING CONTINUALLY UNTIL WELL BLENDED THEN WHISK IN 1/2 CUP HEAVY CREAM AND TRANSFER MIXTURE TO THE SOUP POT, STIRRING UNTIL WELL BLENDED.

SEASON SOUP WITH 1 TSP MRS. DASH (OR YOUR FAVORITE SALT FREE SEASONING) AND MORE SALT TO TASTE IF NEEDED. ADD 3 TBSP DILL THEN RETURN TO A BOIL AND TURN OFF THE HEAT. ENJOY!
