NICOLA VALLEY YOUTH GATHERING

JULY 1-4, 2026 | FOR YOUTH AGED 13-18

FEATURING:

KIVA

MORGAN-HALL

KIVA MH WILL BE JOINING US JULY 4TH FROM 3-5 PM AT THE SHULUS ARBOUR!

Kiva Morgan-Hall aka Kiva MH is a Secwepemc/Nuu-Chah-Nulth/Scottish Musician, Producer, Actor, Traditional dancer and Land Protector. Whose voice rises from the roots of resistance and resilience. With a sharp, dialed-in flow and impeccable cadence, Kiva delivers powerful performances that speak truth to the experiences of his people. His lyrics confront injustice, uplift Indigenous identity, and carry the stories of generations, all while commanding the stage with raw energy and authenticity. Kiva's art is more than music, it's movement, medicine, and message.

Kiva started his artistic journey at the early age of 7, collaborating with parents through painting and music. Today, Kiva puts his focus into mastering his unique style and sharing his thoughts through music and art.

Kiva's performance touches on subjects such as intergenerational trauma, residential school awareness and personal life experiences.

Kiva also facilitates youth workshops. "Healing Through Hip-Hop" is a workshop designed to help students express themselves, develop confidence, and build essential social-emotional skills through writing, music, and collaborative visual art.
